

COMMITTEE ON BOARDS AND COMMITTEES

Official Report

Each year the Committee on Boards and Committees seeks to present a slate of nominees to serve the boards of partnering agencies, schools, institutions, and for the standing committees of the General Association. Nominations are solicited across the state via a “nominee recommendation form” published in *Advance Notice* and posted on the Baptist General Association of Virginia website. In addition, we solicited suggestions from directors of missions, local associations, ministers, and others. We also took into consideration the suggestions made by our various partner agencies, schools, and institutions, who brought recommendations of persons who have the demonstrated interest and commitment needed by their board. We sincerely appreciate all who took the time to prayerfully nominate a person to be considered.

We seek to present nominees that demonstrate specific knowledge and gift sets suitable for specific appointments as well as represent the diversity among Virginia Baptists with respect to region, gender, church size, denominational affiliation, and laity or clergy. Our slate this year represents the broad diversity we cherish in the life of Virginia Baptists.

With gratitude for your suggestions, the Committee on Boards and Committees brings to you the names of the many dedicated Virginia Baptists listed in this report for nomination to the boards of agencies, institutions, schools, and to service on the standing committees of the General Association. The Committee moves that this report be adopted and we ask that you give them your supportive prayers and cooperation.
